Chapter 1 by Landon Lee

"Ready!"

The soldiers readied their various weapons.

"Aim!"

Clacking sounded around the field as the recruits put their crosshair on the target.

"FIRE!"

Bullets of all shapes and sizes tore through the air coming from the rag-tag group of semi-permanent militia if you will. They had weapons ranging from .17 caliber pistol to .50 caliber machine guns. They weren't picky-- they took what they got, as long as it got the job done. They were guns for hire.
